| PASIG    | ZPT                    | 4438 | Planned   | DMA<br>Botong<br>Francisco<br>DMA<br>DOMSA                             | San Isidro                   | 09/03/26<br>10:30 PM | 10/03/26<br>2:00 AM |

**Notes:**

*Concessionaires should receive supply allocation with a 60:40 ratio in favor of Maynilad.*

*LTP: The influence area is efficiently served by Balara WTP, given the high raw water inflow.*

*Eastbay 1: Ready to operate; Angat source is being optimized to take advantage of its high-water level.*
